The second person you refer gets passed up to your sponsor. You don't earn any money from this referral.

The third person you refer stays in your downline. You will earn another \$0.01 daily from this referral.

The fourth person you refer gets passed up to your sponsor. You don't earn any money from this referral.

Every person you refer from your 5th to Infinity stays in your downline.

When you refer that 5th referral to Infinity Residuals, you will earn \$0.01 per day from these downline members.

Look at the example below to see how you can change your financial future in the coming days or weeks.

**Please note all income claims are not guaranteed*

Daily Residual Example

Let's say that everyone only gets 4 people their first week and duplicates
Again this is paying \$0.01 per member DAILY!

Week 1

You get your 4 signups, you pass 2 of them up line to your sponsor.

You keep 2. So $2 \times \$0.01 = \0.02

Week 2

Your 2 signups get their 4 signups.

Of course 2 each are passed up to you for a total of 4.

So $4 \times \$0.01 = \0.04

Week 3

Your 4 signups get their 4 signups.

Of course 2 each are passed up to you for a total of 8 now.

So $8 \times \$0.01 = \0.08

**Add to that the people from the prior week rolling to this week*

Week 4

Your 8 get their 4.

Of course 2 each are passed up to you for a total of 16.

So $16 \times \$0.01 = \0.16

**Add to that the people from the prior week rolling to this week*

Week 5

Your 16 get their 4.

Of course 2 each are passed up to you for a total of 32.

So $32 \times \$0.01 = \0.32

**Add to that the people from the prior week rolling to this week*

Week 6

Your 32 get their 4.

Of course 2 each are passed up to you for a total of 64.

So $64 \times \$0.01 = \0.64

**Add to that the people from the prior week rolling to this week*

Right now you are at \$1.26 Per day. I know it's not a lot, but Let's skip to week 10...

Week 10

Your 512 get their 4.

Of course 2 each are passed up to you for a total of 1024.

**So 1024 X \$0.01 =
\$5.12 Per Day!**

**Add that to the people from the prior week rolling to this week*

So we added in the daily recurring billing and in 10 weeks you have... a Daily income of around \$10 per day and growing! That is approximately \$300 per month and it grows to infinity.

Remember this grows infinity deep!

Our Unique PIF System

Many programs have a PIF system. The issue with a lot of those systems is that if you PIF someone say for \$10 and you only make \$1 of that it will take you a while to recoup your \$10.

With Infinity Residuals, when you PIF someone who is not you 2nd or 4th referral you will make 100% of your PIF back within 10 days.

Our PIF system works like this: You recruit a new referral. You decide to PIF them into Infinity Residuals. Our minimum to PIF is \$0.10 to a new referral which is 10 days of daily subs.

The great thing is if they are your 1st, 3rd or 5th and beyond referral, you will get 100% daily commissions back and recoup that \$0.10 in the next 10 days.

What other program can offer that?
